

## WOMAN'S LIFE

- I-** Oh my life, why has it been bitter? Always had the problem in my heart, is this the real life of the women? Living in darkness and always facing struggles.
- II-** Since I left my home, I have always regretted left behind my dear parent I am lonely and live alone with nobody to depend upon my destiny depends on money's claws.
- R-** Money's claws captures my life making my heart fly in circle never reaching the shore I want to be free but I cannot be oh, friend please pity me.
- III-** Friends, please do not blame me. I bear great sadness in exchange for dollars in this world. No woman wants to live in a difficult life I have kept this sadness in my life.
